Day 5: Visit local shops before departing Costa Rica

DAY 1: ENTERING THE JUNGLE

Our trip begins from San Juan Santamaria International Airport where your guides will be waiting with your private transportation. After coffee and breakfast we'll head south over the highest mountain range in Costa Rica. Take in the sights as we travel deeper into the jungle. We will do a short trek into the jungle for a local homestay experience. We will end the night with a traditional Costa Rican homemade feast and an informal introduction to the adventures ahead!

DAY 2: NAVIGATING RAPIDS

Get ready for another day spent in awe as we venture down class II-III rapids along the Savegre River on an inflatable kayak. We will stop at remote waterfalls along the way for additional exploring. We will finish the night in a hidden eco-lodge tucked along the river. Here we will fall asleep to the sounds of nature and wildlife!

DAY 3: ADVENTURE OF A LIFETIME

Today we will embark on a journey of a lifetime! Get ready to hike to remote waterfalls where you will be outfitted in climbing gear so that you can experience the 100 ft waterfall up close and personal by rappelling over it! After the adrenaline is pumping, we will spend a tranquil night "glamping" behind the waterfall in a cavern equipped for all of our needs. The combination of the sounds of the water and nature and the soft light from the candles in the cave make for the most memorable experience!

DAY 4: WILDLIFE & RELAXATION

Before heading back to civilization, you will have the opportunity to cliff jump from the waterfalls and search for sloths, toucans and monkeys. We then head to a locals beach where the Pacific Ocean is tucked between the towering mountains.

DAY 5: THE END OF THE JOURNEY

Unfortunately all good things must come to an end...or do they! Although we head home today, the sights and experiences from Costa Rica will be forever a part of your life!
