Students Experience

"It provided new experiences I may have not done before"

"I accomplished things I never thought I could before"

"It helped me grow as an individual"

"It made me more aware of other cultures/ways of life"

"This trip had to be the best thing that had happened to me in my sophomore year. I will never forget the Beyond the Map experience"

Students Experience

“ Everything they had us do was something I never thought I was capable of! I pushed myself & completed everything & it was just an amazing feeling. The things you see and the people you meet just makes the trip hundred times better! This was my first time in Costa Rica & I don't think I would've had a better experience with anyone else! Thank you Beyond the Map, see you next summer! ”
